WISDOM SOLOMON

BUSINESS DEVELOPMENT MANAGER | CLIENT RELATIONSHIPS | SALES & OPERATIONS

Flat 6, Aso Estate, Kubwa, Abuja
08109006225 | wisdomsolomon57@gmail.com
State of Origin: Adamawa State | LGA: Numan

PROFESSIONAL PROFILE

Business Development Manager with hands-on experience in client acquisition, relationship management, sales and commercial operations across financial services, telecoms and federal procurement support. Skilled at tracking enquiries and opportunities, preparing quotations and proposals, coordinating stakeholders and vendors, and following up to win and retain business. Holds a B.Sc. in Economics and an ND in Computer Science, with strong commercial awareness, communication and numerical skills, and a record of working toward weekly and monthly commercial targets in customer-facing roles.

BUSINESS DEVELOPMENT STRENGTHS

- **Opportunity & pipeline management:** tracking enquiries, opportunities, engagements and follow-up actions with structured digital records.
- **Client acquisition & retention:** building lasting client relationships through timely communication, responsiveness and structured follow-up.
- **Proposals, quotations & pricing:** preparing and submitting quotations for federal opportunities, backed by cost analysis and subcontractor pricing.
- **Target-driven sales:** leading sales initiatives, promoting products and services, and working to weekly and monthly commercial targets.
- **Stakeholder & vendor coordination:** aligning clients, vendors and internal teams to move requests through to timely delivery.

PROFESSIONAL EXPERIENCE

Business Development Manager

2025 – Present

Optiva Capital Partners

- Identify and pursue business opportunities, managing enquiries from first contact through follow-up to support client acquisition.
- Build and maintain professional client relationships by understanding client needs, responding to enquiries and delivering timely, high-quality service.
- Drive client retention through structured follow-up, service continuity and timely resolution of outstanding matters.
- Track enquiries, opportunities, engagements and follow-up actions using digital tools and structured records to keep a clear view of the pipeline.
- Coordinate with internal stakeholders to move client requests through workflows, maintaining confidentiality and accuracy in client records.

Quotation Associate

2022 – 2024

Kadaj Alliance LLC | Remote

- Prepared, reviewed and submitted vendor quotations for federal opportunities on SAM.gov.
- Performed cost analysis and gathered subcontractor pricing to support proposal development and pricing.
- Coordinated with vendors, subcontractors and internal teams to obtain accurate pricing and required documentation.
- Reviewed quotation packages for completeness, accuracy, compliance and timely submission, and kept organised records of solicitations, RFQs and quotations.

Airtel Retail Shop Manager 2022 – 2025

Airtel Nigeria

- Led sales initiatives, promoted Airtel products and services, and worked toward weekly and monthly commercial targets.
- Managed daily retail operations, customer-service workflows, stock inventory, SIM registration, device sales and routine reporting.
- Handled complaints, service enquiries and escalations professionally to protect customer satisfaction and retention.
- Trained and supervised customer-facing staff, promoting service quality, teamwork, productivity and operational discipline.
